

# Cozi220

Cozi220 from IMI Cornelius, (formerly known as the Oezo Espresso) is a compact, user friendly, highly functional machine which serves a perfect creamy, tasty coffee. It comes complete with either two powder containers or a double container allowing you to serve a choice of delicious hot drinks such as espresso, decaffeinated coffee, tea, hot chocolate etc.

Key features include:

- The water container is completely removable for cleaning purposes
- Equipped with a 'water sold out' device
- Two or Four drinks selections available: 1 or 2 small cups and 1 or 2 large cups
- Automatic adjustment of both the water and powder doses to ensure a perfectly served drink
- Automatic adjustment of the mixing time in order to guarantee a perfectly dispensed drink
- Special dispensing system which generates a creamy foam
- Water boiler provided with an anti-scale system
- Automatic rinsing of the mixer; all the components coming into contact with the product are easily removed to clean
